What this pack should help improve

- Start new client work with a clearer scope and better shared expectations.
- Create a usable record of stakeholder input, roles, and next steps.
- Make the first client touchpoint feel structured, calm, and professional.

Recommended use order

- 1 Use the agenda and deck to shape the kickoff session.
- 2 Capture stakeholder inputs and role expectations in the intake and RACI documents.
- 3 Use the meeting notes, workbook, and follow-up email to lock in commitments after the call.
