

Consulting Proposal Starter Kit | Quick Start Guide

A proposal and conversion toolkit for turning discovery calls into cleaner scopes, stronger pricing conversations, and more confident next steps.

Clear plans. Stronger communication. Better execution.

Who this toolkit is for

- Consultants, boutique agencies, fractional operators, and professional services firms.

Best use cases

- Use this kit when you need to move from exploratory conversations into a clearer scope, stronger proposal, and smoother client conversion path.
- Professional proposal language without sounding bloated or overly corporate
- Editable proposal, onboarding, and follow-up assets
- Example and blank commercial trackers for pricing and scope control

Recommended working sequence

- Start with the PDF overview and usage guide to understand the structure of the pack.
- Use the editable Word files for communication, scripts, and client-facing language.
- Use the Excel workbook and CSV files for tracking, importing, or sharing structured data.
- Use the PowerPoint deck when you need a cleaner readout for clients, sponsors, or leadership groups.
