

Website Redesign Planning Kit | Quick Start Guide

A premium website planning toolkit for clarifying messaging, organizing content, and making redesign or refresh work easier to manage.

Clear plans. Stronger communication. Better execution.

Who this toolkit is for

- Small business owners, consultants, marketing agencies, website agencies, and founders.

Best use cases

- Use this kit before a redesign, website refresh, proposal, or content planning sprint when the website needs to say the right thing more clearly.
- Useful for selling or planning website work with small businesses
- Editable planning files for messaging, content, structure, and launch readiness
- Example trackers and worksheets that help teams get clearer faster

Recommended working sequence

- Start with the PDF overview and usage guide to understand the structure of the pack.
- Use the editable Word files for communication, scripts, and client-facing language.
- Use the Excel workbook and CSV files for tracking, importing, or sharing structured data.
- Use the PowerPoint deck when you need a cleaner readout for clients, sponsors, or leadership groups.
