

Website Redesign Planning Kit

A practical planning toolkit for businesses preparing for a website redesign, content refresh, or cleaner digital presence.

Clear plans. Stronger communication. Better execution.

Who this pack is for

Small business owners, founders, consultants, marketing leads, local businesses

What the buyer receives

- **website-planning-workbook.xlsx** — Planning workbook with page structure, content needs, and launch tracking.
- **website-planning-brief-deck.pptx** — Editable presentation deck for website planning, message alignment, and launch framing.
- **website-intake-questionnaire.docx** — Business and website discovery prompts.
- **website-content-planner.docx** — Page-by-page content planning template.
- **homepage-messaging-worksheet.docx** — Homepage headline, proof, CTA, and offer clarity worksheet.
- **competitor-review-worksheet.docx** — Lightweight competitor positioning review template.
- **website-launch-checklist.docx** — Pre-launch and go-live checklist.
- **website-maintenance-checklist.docx** — Ongoing content, SEO, and operations checklist.

What this pack should help improve

- Clarify what the website needs to say and how it should support the business.
- Reduce guesswork around page planning, content needs, and launch readiness.
- Create a more credible digital presence with clearer messaging and stronger calls to action.

Recommended use order

- 1 Use the questionnaire and messaging worksheet first to clarify business positioning.
- 2 Use the content planner and competitor worksheet to shape the site structure.
- 3 Use the launch and maintenance checklists to turn planning into a cleaner rollout.

Need this customized? Clarpoint can adapt these tools into a fuller operating model, website plan, executive readout, or project delivery system.
